PRESIDENTS CORNER - DECEMBER

Where did the year go? Heather and I would like to wish you the most blessed holiday season. Please make sure to sign up for the Christmas party before December 5th if you

are going to join us.

We hope you are happy with the job the board did in our first year as we truly loved serving our community.

There are a lot of events coming up, so please stay plugged in. We are also going to start some work on the trees and bushes. Sorry for the long delay, but we wanted to clear up all the pool issues first and then we got caught with a couple of hurricanes.

You'll be receiving voting proxies in the mail so if you are interested in running for the board, we would love to have you. Otherwise please vote for who you would like to have on it and return the proxy to Westcoast Management or to the clubhouse office before the deadline.

Have an amazing New Year and as always if anybody needs anything, please reach out to us.

The DECEMBER View from Section Three

Well, so much has happened since November one, my head is spinning. We've had an election, continued recovery from two major hurricanes and Indiana is 10 and 0 for the first time in history! But maybe most important to our section is that we have been able to hold the line on our monthly HOA fee for the first time in several years.

Around the neighborhood, we have a small sink hole along Northampton that has been sitting with a sign over it for a while, so please be careful until it is fixed. Another issue is both limbs overhanging the sidewalks and a brush pile that has been sitting for over a month. No one from the town or the trash company is coming by to deal with these issues. elected this past year for a job well done. Though there are still issues to be dealt with, they have made a great start. We see and appreciate the progress that has been made. That's about all for now. I wish each and every one of you a Merry Christmas and a Blessed New Year.

Rev. Pete

"Some celebrate Christmas as the birthday of a great teacher and philosopher. But to other millions of us, Jesus is much more. He is divine, living assurance that God so loved the world he gave us his Only Begotten Son." Ronald Reagan

Section FIVE DECEMBER -2024

Merry Christmas, Happy New Year, and Happy Holidays to all Millpond Residents! We wish you a happy and safe holiday season, and hope everyone is able to connect with family members and friends to share this special time of the year. We send our best wishes to all of our servicemen and women, and hope they return home soon and safe. We welcome all of our Snow Birds back, and hope they enjoy their time here.

Section 5 held our 2025 Budget Meeting on November 12, 2024. The Board had reviewed the Budget prepared by Coastal Management and held a workshop to review our expenses. The Budget was approved by all members of the Board. The Minutes of the Meeting are posted in the Clubhouse.

The Millpond Estates Section 5 Annual Meeting will be held in January, 2025. You will receive a mailing from Coastal Management containing information. The 2025 Board will be elected and items on the Agenda will be addressed. Please review the material when you receive it. Board members will call on our Members to obtain their proxy. 34 Proxies are needed to have a legal meeting, this entire procedure is required by Florida Statutes. Please watch your mail and the Clubhouse Bulletin Boards for further information.

Many of our residents decorate for the Holidays with great spirit and enthusiasm. Take some time, bundle up the family, take an evening walk around the neighborhood, and enjoy all the beautiful displays. Our residents do an amazing job and turn Section 5 into a Winter Wonderland!

We thank all Residents who continue to cooperate and keep Section 5 a beautiful and safe place to live. We warmly welcome our new residents!

Section 6 - DECEMBER 2024

Hi everyone at Millpond! Yes its December and we should all be thinking of Santa Claus coming to town and maybe bringing us a few presents.

We have had a tough couple of months and we're hoping 2025 the New Year will be better. So let's all come together and enjoy the rest of 2024.

Millpond Estates Christmas Party is December 7th it's free what could be better than that, so sign up before Dec 5th! Come on over meet your neighbors, Mike and Stan are cooking.

The meet and greet was fun as usual. Good times.

From your board we have tried to do the best we could and hope you have been happy with our progress. Our board of directors has vacancies which we are actively seeking to fill in the new year. Please consider volunteering to serve our community, by submitting the application you will receive in the annual meeting mailing. Applications also may be requested from Coastal Management.

We wish everyone a Merry Christmas and a Happy New Year Remember it's not the things you do at Christmas time, but the little things you do all year long.

Merry Christmas and Happy New Year from your President Tina (voice writer Lolly)

Happy Hanukkah!

I hope you had a wonderful Thanksgiving and looking forward to the Christmas season.

As we continue to repair and replace from Hurricane Milton, please bear with us. The board is currently looking at replacement bulletin boards and hoping to have them replaced by Christmas. We have already replaced or repaired several items from the hurricane.

New coupon booklets, for the new assessment, should be out by the end of December. The new assessment starts January 2025, if you are not sure what the new assessment is - please call management.

Many homeowners are replacing, repairing, or cleaning/painting before the holidays. Please make sure to submit an ARC form BEFORE the exterior improvement. If you are not sure if an ARC form is required - Call management. Better safe than sorry.

Have a Merry Christmas and Happy Hanukkah Trish Ursin

The VOICE of MILLPOND Residents of Millpond Trace DECEMBER 2024

The sudden onset of cool weather reminds me that September is long gone and December is here already. But with all the holiday rush, it occurs to me that this is a time to pause and slow down, even if for just a few minutes, and reflect on the things we most cherish: our families, our friends, and for some of us our faith in a benevolent God.

But at Millpond Trace, we are glad for lesser things as well. The painting project has been completed including: buildings one and eleven, the dumpster walls, the metal portions of all of our stairwells, and the wall along SR 54. The power cable has been replaced between the transformer and the meter box on building five. And, lastly, the tall palm trees have been professionally trimmed and look great.

Looking ahead, we have scheduled a Budget Workshop, 6:00 PM at the Clubhouse, on Wednesday, December 4, 2024. An Open Meeting is scheduled for 7:00 PM, December 19, 2024 at the Clubhouse to vote on the proposed budget.

Wishing you the very best for this Holiday Season!

DECEMBER 2024 - PCSO Become A "Safe Shopper" With Tips From PSO

As the holiday season quickly approaches and shopping picks up, the Pasco Sheriff's Office is preparing shoppers for the crimes, scams and gimmicks that often occur this time of year. In the rush of the busy season, it's essential to remain vigilant and learn how to stay safe, whether you're planning to complete your holiday shopping in person or online. Before you shop-til-you- drop, PSO encourages reading the safety tips below.

While you dash from store to store, it's easy to become distracted and overlook potential criminals who might be doing some "shopping" of their own. Stay vigilant when you arrive at your destination, including time spent walking and driving through the parking lot. Park in a well-lit and visible area. When exiting your car, take your belongings and hide any large packages out of sight. Ensure your car windows are closed and the doors are locked before heading inside. Once inside the store, remain aware of your surroundings, and be cautious with your purse and wallet. It's safer to shop with someone you trust, as thieves are less likely to target people in groups. If you're shopping with children, designate a specific meeting spot in case you get separated. Consider taking large purchases home immediately before continuing your shopping.

Online stores may seem safer than traditional brick-and-mortar stores, but there are just as many dangers online as in person. Start shopping safely online by using a secure Wi-Fi network instead of public Wi-Fi. PSO also recommends checking that the site is legitimate by looking for http:// at the start of the URL. Be cautious of phishing attacks through emails, phone calls and texts, and avoid clicking on links or pop-ups. When possible, use credit cards instead of debit cards - they generally offer better fraud protection.

After shopping online, the next step is being aware of "porch pirates." Package theft is a crime of opportunity and often increases during the busy holiday season. Request a specific delivery day/ time when you'll be home. Have packages delivered to a community office or a trusted neighbor that's home if you know you won't be present for the delivery. If you still would like the package delivered directly to your home while you are away, leave specific instructions for delivery that include a location out of sight from the road. An additional option is to have shippers hold the package at a pick-up facility.

Giving to charities can make the season bright for those needing holiday cheer; however, potential criminals may take advantage of people's generous spirits to line their pockets. By posing as charitable organizations, scammers exploit those trying to make a difference. PSO encourages researching and reading reviews for charities you are interested in supporting. If the charity contacts you directly, verify the contact information on their website. If you donate, don't pay in cash, by gift card or wiring money. Ensure you're not signed up for recurring donations.

As you look for great deals, remember this information to be the ultimate safe shopper. And don't forget to share these tips with your loved ones to prevent them from becoming victims.
